

Industry Update Session

Virtual | October 2021

Welcome
and
Good Morning

- By joining this webinar, you agree to the terms of the OnGo Alliance Privacy Policy located in the event description.
- This session is being recorded for the OnGo Alliance's use and distribution.
- Use the *Stage Chat* function in Hopin to submit questions during the session. We will try to address clarification questions in real-time, but general questions will be handled after presentations.
